Hey Matthew,

At leadscon, but have have sent this request to tech. We do not have access to jornaya data as we are not a paying customer of theirs.

However, I will look at this in more detail tomorrow if ok.

Are you able to get on a call Monday?

Best,

Mike

Hi Mike,

Sorry to bug you about this lead again, but my legal team just reached out to me and is hoping you can send us either the Jornaya video of the consumer going through the form, or a time/date stamped shot of the website with the consumer's info filled in? The Jornaya lead id provided with the lead is 8D3524DC-1DD7-ED25-01E8-DEF8A3F4EBFF

Thanks!

Hi Mike,

Thanks for the info. I'll forward what you sent to our legal team and see what they say. It's missing a lot of the stuff they look for and want with TCPA compliance, so I'll do my best to fill in the blanks for you with this lead. Moving forward though we really need all of the below –

- IP address
- device type
- form url
- the url of Carriers included in consent language.

- a screenshot of consent language
- the consent language in text form
- Jornaya or trusted form lead ids

Just a heads up, since our acquisition by Lending Tree, TCPA compliance has become a major issue and we have been instructed not to do business with partners that can't provide all of that info in a complete and timely manner.

Best,

**Matthew Weeks**
